

MIAMI WINTER SYMPOSIUM

INSTRUCTIONS FOR PREPARING YOUR POSTER

If you have been notified that your Short Report has been accepted for poster presentation at the Miami Winter Symposium, you should have received notification of the day and time of your presentation. If you have not, contact Sandy Black, sblack@miami.edu

- **Board Measurements:** The posting area space of the poster board is 5 feet wide and 4 feet tall
- Prepare a heading that includes the title, author(s) and institution.
- Use large lettering (at least 1 inch high). Keep in mind that charts, drawings and other information should be legible from a minimum of 6 feet.
- We will provide thumb tacks. You should provide any other mounting materials.
- The Symposium Organizers are not responsible for lost or damaged posters.

If you are a Postdoc or a Graduate Student, and you wish to be considered for the poster competition please send an email to sblack@miami.edu indicating that you wish to be considered and give her the scheduled date of your presentation.
